

Nurse
on
Duty

The image is a black and white graphic. It features the words "Nurse", "on", and "Duty" stacked vertically in a cursive, handwritten-style font. A horizontal line representing a heart rate or ECG signal passes through the middle of the word "on". The line has several sharp peaks and valleys, with the tallest peaks occurring directly behind the letters 'o' and 'n' of "on". The overall composition is centered and has a clean, minimalist aesthetic.
